

# AGED CARE ACUTE NURSING ASSESSMENT SEMINAR

**DATES:** 27th October 2024 - Ballarat

**COST:** \$330.00

Payment plans available

**CPD:** 7 HOURS

## One-day seminar – fully catered

The ECT4Health Aged Care Acute Nursing Assessment Seminar is designed for the nurse working in aged care facilities.

It is inevitable that when caring for elderly people, there is going to be deterioration in their condition, be that slowly over time, or acutely and unexpectedly. In the busyness of your regular day, this can be challenging and confronting. It requires using skills that you may feel have become a bit rusty.

This course is designed to refresh those skills, giving you the confidence to know that your residents are in the best hands.

Content includes:

- [ ] Anatomy refresher
- [ ] Assessing Cardiovascular and Respiratory deterioration.
- [ ] Listening to their chest - understanding wheezes, Rales, crackles and Creps
- [ ] Blood pressure medication and diuretics
- [ ] When infections might mean sepsis.
- [ ] Diabetic emergencies
- [ ] Strokes and other Sudden neurological discourse
