ECT4Health – Fraser Island Adventure Seminar

Needing a holiday whilst also catching up on CPD education points?
Did someone say tax deduction?

Once you have arrived at Kingfisher Bay Resort, slip into island living and explore the hundreds of tracks which criss-cross the world's largest sand island. Nature's art-gallery turns on seasonal exhibitions: wild spring flowers, lazy summer days, the colours of autumn and wintry wilderness.

And all this is just a short ferry ride from Hervey Bay on the stunning Fraser Coast.

Our all-inclusive CPD holiday includes return ferry transfers from River Heads - Hervey Bay, 4-nights' accommodation in a resort room, daily breakfast, morning tea and lunch (seminar attendees only), full use of the resort facilities including the choice of four lagoon-styled pools, outdoor spa and kids playground.

The Kingfisher Bay Resort is a truly unique destination and our Fraser Island Adventure Seminar won't disappoint either:
